What began as a dream has become a reality—your one-stop destination for high-octane fun.

We don't just cater to individuals. Our venue is perfect for corporate events, including team-building activities, product launches, social gatherings, and more. With versatile facilities and expert staff, we'll make your event unforgettable.

Get ready to experience the thrill of Luddenham Raceway, where every moment is designed for adrenaline lovers.

Where are we?

Luddenham Raceway is conveniently located in the heart of South Western Sydney, less than an hour's drive from Sydney CBD and Sydney Airport less than 5 minutes from the new Western Sydney International Airport.

Ample parking is available on site, and coaches and vehicle transporters will have easy access and parking options.

We offer you a variety of spaces that can be hired, and the hire configurations can be customized to cater to a range of needs and budgets to ensure the success of your next event.

Whether you require a setting for an intimate gathering or a product launch for a large crowd, we can help to ensure that your event is a success and will be memorable for all the right reasons.

Track & Ride Days

Track or street cars, road bikes to motards, vehicle testing or car club events, Luddenham Raceway Motorsport Park is the perfect venue for your next event

The Motorsport Park at Luddenham Raceway features a purposely built circuit that is a thrilling and technical track with challenging elevation changes and plenty of technical corners to push you and your vehicle to the limits, develop your confidence and enhance your driving ability and skills, all while being in a fun, safe and controlled environment.

Track, Bike & Drift Day Formats

At Luddenham Raceway, our track days are all about giving motoring enthusiasts the freedom to drive their own way.

Whether you're just getting started or have some serious track experience, our Motorsport Park is the perfect place to sharpen your skills, push your car or bike, and have a blast doing it—all in a safe and controlled environment.

Our circuit features technical corners and elevation changes that keep things exciting, no matter your level. Drivers are grouped by skill to keep things running smoothly and safely, and you'll get plenty of time out on the track. Whether you're in for a full day or a half-day session, you'll be able to enjoy the thrill without the stress of racing.

Looking for something a bit more tailored? Our private hire option is ideal for driver trainers, corporate days, product launches, or groups who want full control over how they use the facility. With exclusive access, it's a flexible way to design the perfect motorsport experience to suit your goals or brand.
